Rest.

2. You might like to read these pp through before to-morrow, when the matter might again be discussed. It would be handy for perhaps to Brig General Cookson into the particulars, as he is leaving so shortly. Sd

the matter is one of some urgency.

(10) PBLW.
20/3

Margin for binding not to be written on.

We spoke of this at the meeting today. There seems to be nothing to be done at the present stage unless the rival authorities ask us if & whether they are or are not entitled to build on the site.

I understand Col. Reynolds will write to us after the Authorities have visited the land in question.

21/3

4. We ought perhaps to reply to Mr. Simpson's petition, but then may wait Col. Robertson's letter.

File No. 87/1910

The Hon'ble Colonel HUGH DALY,

C.S.I., C.I.E.,

BRITISH RESIDENT,

BANGALORE.

Through the Collector & President, C & M Station, Municipal Commission. Bangalore.

The Humble Petition of the Landlords, and residents of Cubbon Road and Infantry Lines, BANGALORE.

No 6353 of 13/3/11

Most Respectfully Sheweth:—

1. That petitioners' Civil Rights are seriously threatened by the arbitrary action of the Military Authorities in assuming to themselves the right to build upon the plot of open ground—North of Cubbon Road. This open ground has been in existence ever since the Cantonment was laid out in or about 1809, and has been all along in undisputed use by the public. No Rights were reserved by the Military Authorities.

Petitioners respectfully invite reference to Col. Grant's (then Capt. Grant) detailed Survey Report, who under the orders of Government, was specially appointed to carry out the Survey of the Station. Upon this Survey Report a conference was held in or about 1870. It was then determined that the land in-extenso lying along the North of Cubbon Road, (interrupted only by the Place of Arms of the 101st. Grenadiers and The Kirk), was *Public Waste Lands*, and not *Military Waste Lands*, and is described as such in the records of the Station.

Petitioners beg leave to state that *even now* the Land in question and under reference here, is not known or recognised as *Military Land*, nor does the map that is maintained in the A. C. R. E.'s Office record the same as Military Land, hence petitioners are at a loss to assign a reason, or to understand under what authority the Military Department has attempted to build upon it.

Petitioners can no where find the inclusion of this land as Military property, *Vide* Government of India Notification No. 3955/I.A. dated the 29th December 1879, (Foreign Department). This notification clearly defines both the Lands and Buildings that are the exclusive properties of the Military authorities.

Petitioners respectfully invite reference to the voluminous correspondence that took place in the 1850s, between the Military and the Civil, when the rights of the latter were in conflict with the former. The out come of that correspondence, was, orders dated 1857 from the Government of India and the Government of Madras, "Giving to the Civil absolute control over all idle lands "and with the guarantee that no man's just title will be "infringed, that there should be no needless interference

Submitted the general subject is already under correspondence with Military 13/3/11

President, Municipal Commission, Civil & Military Station Bangalore.

Your Petitioners depend and rely upon your sense of justice, for which you are so well-known, and beg you will be pleased to go into the subject matter of this petition, and protect their rights by granting them their prayer. Bangalore is not purely a Military Station, it is also a Civil Station. Civil rights, your Petitioners respectfully submit, cannot and ought not to be subordinated to Military rights. Your Petitioners beg leave to say that hitherto the settled policy has been to place the Civil and Military population on an equal footing, and your Petitioners confidently trust that their Civil rights will not be allowed to be overridden by a fanciful plea of Military exigency.

For which act of kindness and justice your Petitioners as in duty bound shall ever pray.

To

P. B. Warburton, Esquire, I.C.S.,
FIRST ASSISTANT TO THE HONOURABLE THE RESIDENT
IN MYSORE.

SIR,

In continuation of my letter No: 6389 dated 15 March 1911, I have the honor to submit a copy of a letter just received from Mr. R. W. Simpson embodying the words of a

costs that may be awarded.

(2) Is the land on which the building is to be located Military Land or Imperial Civil Land? It is alleged in the memorial submitted that the land is not Military Land, it is, I submit, time that an authoritative declaration on the point should be made.

3. Mr. Simpson is not anxious to plunge into litigation and if he does, I think there is room for doubt as to whether Government would be wise to contest the suit. It is possible that court costs and damages might total more than the cost of acquiring some existing building. The buildings now occupied in the Cubbon Road by the 102nd Grenadiers have been suggested as a possible site for the Bangalore Rifle Volunteers' Armoury and Sergeants' quarters.

I have the honor to be,

Sir,

Your most obedient servant,

Collector and
President, Mun. Comm.

Bangalore, 15th March 1911.

To

The Hon'ble Colonel HUGH DALY,

C.S.I., C.I.E.,

BRITISH RESIDENT,

BANGALORE.

Through the Collector & President, Municipal Commission, Ca. Station, Bangalore

The Humble Petition of the Landlords, and residents of the C. & M. Station, BANGALORE.

MOST RESPECTFULLY SHEWETH:—

1. That petitioners' Civil Rights are seriously threatened by the arbitrary action of the Military Authorities in assuming to themselves the right to build upon the plot of open ground—North of Cubbon Road. This open ground has been in existence ever since the Cantonment was laid out in or about 1809, and has been all along in undisputed use by the public. No Rights were reserved by the Military Authorities.

Petitioners respectfully invite reference to Col. Grant's (then Capt. Grant) detailed Survey Report, who under the orders of Government, was specially appointed to carry out the Survey of the Station. Upon this Survey Report a conference was held in or about 1870. It was then determined that the land in-extenso lying along the North of Cubbon Road, (interrupted only by the Place of Arms of the 101st. Grenadiers and The Kirk), was *Public Waste Lands*, and not *Military Waste Lands*, and is described as such in the records of the Station.

Petitioners beg leave to state that *even now* the Land in question and under reference here, is not known or recognised as *Military Land*, nor does the old map that is maintained in the A. C. R. E.'s Office record the same as Military Land, hence petitioners are at a loss to assign a reason, or to understand under what authority the Military Department has attempted to build upon it.

Petitioners can no where find the inclusion of this land as Military property, *Vide* Government of India Notification No. 3955/I.A. dated the 29th December 1879, (Foreign Department). This notification clearly defines both the Lands and Buildings that are the exclusive properties of the Military authorities.

Petitioners respectfully invite reference to the voluminous correspondence that took place in the 1850s, between the Military and the Civil, when the rights of the latter were in conflict with the former. The out come of that correspondence, was, orders dated 1857 from the Government of India and the Government of Madras, "Giving to the Civil absolute control over all idle lands "and with the guarantee that no man's just title will be "infringed, that there should be no needless interference

No 6503/23
Submitted.
The general subject is already under Correspondence
Recd. Mr. Gr.
C. M. Sh.
15.3.11

"with the Civil Residents of that great C. and M Station, "Bangalore."

Petitioners beg to state that all the facts, as stated, trend to the conclusion that the Vacant sites along the Cubbon road cannot be claimed by the Military authorities either by right, use, or possession. It will also be apparent that the action of the Military authorities, in proposing to build upon the land under reference, and perhaps eventually upon other Vacant sites, must depreciate the valuable buildings in their immediate vicinity, which buildings have been made more costly by additions and improvements to harmonise with their surroundings. The proposed action of the Military authorities now virtually amounts to a breach of faith with the Civil Residents, whose energy and money has made Bangalore the pretty and popular station it is.

Petitioners beg to further state that should the Military authorities be permitted to erect the buildings under contemplation, they would be put to serious loss and naturally would seek means for protecting themselves against any act that tends towards depreciation of their properties. They pray for even handed justice. The Civilian has greater claim at your hands for protection against Military might which is not necessarily right.

Again Petitioners beg leave to say that the erection of any buildings upon open spaces stands condemned and is opposed to the general policy of the local Government and the Municipal administration, who are at present engaged with the serious question of avoiding congestion in several localities. To erect more buildings in the vicinity of other buildings and where a sufficient number already stand, means curtailment of breathing area, vitiation of the atmosphere, and aggravation of insanitary surroundings.

Petitioners beg respectfully to suggest, with a view to a considerable saving, that the Vol. Armoury and the Sergeant Instructors be accommodated in the several buildings that are about to be set free by the removal of the 101st Grenadiers, while the Armoury could be sold to the Bible and Tract Society.

In conclusion your petitoners seriously question the right of the Military Authorities to appropriate and build upon the said vacant ground which they aver was never the absolute property of the Military or of Government. Even granting that the said land did at one time belong to the said authorities, the same by non-user for over a period of 60 years, has ceased to be the property of Government and cannot now be utilised in the manner proposed, to the prejudice of your petitioners' rights and interests and of the public at large.

(42)

Your Petitioners depend and rely upon your sense of justice, for which you are so well-known, and beg you will be pleased to go into the subject matter of this petition, and protect their rights by granting them their prayer. Bangalore is not purely a Military Station, it is also a Civil Station. Civil rights, your Petitioners respectfully submit, cannot and ought not to be subordinated to Military rights. Your Petitioners beg leave to say that hitherto the settled policy has been to place the Civil and Military population on an equal footing, and your Petitioners confidently trust that their Civil rights will not be allowed to be overridden by a fanciful plea of Military exigency.

For which act of kindness and justice your Petitioners as in duty bound shall ever pray.

E.'s Office record the same as Military Land, hence petitioners are at a loss to assign a reason, or to understand under what authority the Military Department has attempted to build upon it.

Petitioners can no where find the inclusion of this land as Military property, *Vide* Government of India Notification No. 3955/I.A. dated the 29th December 1879, (Foreign Department). This notification clearly defines both the Lands and Buildings that are the exclusive properties of the Military authorities.

Petitioners respectfully invite reference to the voluminous correspondence that took place in the 1850s, between the Military and the Civil, when the rights of the latter were in conflict with the former. The out come of that correspondence, was, orders dated 1857 from the Government of India and the Government of Madras, "Giving to the Civil absolute control over all idle lands "and with the guarantee that no man's just title will be "infringed, that there should be no needless interference

" with the Civil Residents of that great C. and M. Station, " Bangalore."

Petitioners beg to state that all the facts, as stated, trend to the conclusion that the Vacant sites along the Cubbon road cannot be claimed by the Military authorities either by right, use, or possession. It will also be apparent that the action of the Military authorities, in proposing to build upon the land under reference, and perhaps eventually upon other Vacant sites, must depreciate the valuable buildings in their immediate vicinity, which buildings have been made more costly by additions and improvements to harmonise with their surroundings. The proposed action of the Military authorities now virtually amounts to a breach of faith with the Civil Residents, whose energy and money has made Bangalore the pretty and popular station it is.

Petitioners beg to further state that should the Military authorities be permitted to erect the buildings under contemplation, they would be put to serious loss and naturally would seek means for protecting themselves against any act that tends towards depreciation of their properties. They pray for even handed justice. The Civilian has greater claim at your hands for protection against Military might which is not necessarily right.

Again Petitioners beg leave to say that the erection of any buildings upon open spaces stands condemned and is opposed to the general policy of the local Government and the Municipal administration, who are at present engaged with the serious question of avoiding congestion in several localities. To erect more buildings in the vicinity of other buildings and where a sufficient number already stand, means curtailment of breathing area, vitiation of the atmosphere, and aggravation of insanitary surroundings.

Petitioners beg respectfully to suggest, with a view to a considerable saving, that the Vol. Armoury and the Sergeant Instructors be accommodated in the several buildings that are about to be set free by the removal of the 101st Grenadiers, while the Armoury could be sold to the Bible and Tract Society.

In conclusion your petitoners seriously question the right of the Military Authorities to appropriate and build upon the said vacant ground which they aver was never the absolute property of the Military or of Government. Even granting that the said land did at one time belong to the said authorities, the same by non-user for over a period of 60 years, has ceased to be the property of Government and cannot now be utilised in the manner proposed, to the prejudice of your petitioners' rights and interests and of the public at large.

Your Petitioners depend and rely upon your sense of justice, for which you are so well-known, and beg you will be pleased to go into the subject matter of this petition, and protect their rights by granting them their prayer. Bangalore is not purely a Military Station, it is also a Civil Station. Civil rights, your Petitioners respectfully submit, cannot and ought not to be subordinated to Military rights. Your Petitioners beg leave to say that hitherto the settled policy has been to place the Civil and Military population on an equal footing, and your Petitioners confidently trust that their Civil rights will not be allowed to be overridden by a fanciful plea of Military exigency.

For which act of kindness and justice your Petitioners as in duty bound shall ever pray.

OFFICE OF THE COLLECTOR
BANGALORE
20 MAR 1911

Bangalore, *March 1911.*

To

The Hon'ble Colonel HUGH DALY,

C.S.I., C.I.E.,

BRITISH RESIDENT,

BANGALORE.

The Humble Petition of the Landlords, and residents of the C. & M. Station, BANGALORE.

MOST RESPECTFULLY SHEWETH :—

1. That petitioners' Civil Rights are seriously threatened by the arbitrary action of the Military Authorities in assuming to themselves the right to build upon the plot of open ground—North of Cubbon Road. This open ground has been in existence ever since the Cantonment was laid out in or about 1809, and has been all along in undisputed use by the public. No Rights were reserved by the Military Authorities.

Petitioners respectfully invite reference to Col. Grant's (then Capt. Grant) detailed Survey Report, who under the orders of Government, was specially appointed to carry out the Survey of the Station. Upon this Survey Report a conference was held in or about 1870. It was then determined that the land in-extenso lying along the North of Cubbon Road, (interrupted only by the Place of Arms of the 101st. Grenadiers and The Kirk), was *Public Waste Lands*, and not *Military Waste Lands*, and is described as such in the records of the Station.

Petitioners beg leave to state that *even now* the Land in question and under reference here, is not known or recognised as *Military Land*, nor does the map that is maintained in the A. C. R. E.'s Office record the same as Military Land, hence petitioners are at a loss to assign a reason, or to understand under what authority the Military Department has attempted to build upon it.

Petitioners can no where find the inclusion of this land as Military property, *Vide* Government of India Notification No. 3955/I.A. dated the 29th December 1879, (Foreign Department). This notification clearly defines both the Lands and Buildings that are the exclusive properties of the Military authorities.

Petitioners respectfully invite reference to the voluminous correspondence that took place in the 1850s, between the Military and the Civil, when the rights of the latter were in conflict with the former. The out come of that correspondence, was, orders dated 1857 from the Government of India and the Government of Madras, "Giving to the Civil absolute control over all idle lands "and with the guarantee that no man's just title will be "infringed, that there should be no needless interference

(Private & Confl)

Your letter of the 24th March 1911 re the Legal Practitioners Qn. As I told you, we can give no definite reply to your No 946 D/ the 23rd Feb. To do so wd prejudice Col Daly's position from the judicial point of view. If we told you to stop drafting it merely on a Solicitor's letter it wd indicate that, in the Resident's opinion, your case was not a strong one, & this might weigh against you if a civil suit was filed & came up on appeal. Drafting it might

prejudice the Simpsons Case if
(as was the Contention) building.
In either case it places the Port
in an awkward position. The point
on which there appears to be uncertainty
is whether the Land is Civil or
Military. There seems to be no doubt
that it belongs to Govt. If it
is Civil, it would perhaps be better
to ask that the Land be handed
over to Govt. This I think, can be
done, but in any Official note
issuing from this Office we would
stipulate that such Cession was made
without prejudice to any claims which
might be put forward as to rights
of way or easement, or depreciation
to adjoining buildings by the owners of
adjoining house property.

Bangalore, 25th March 1911.

To

The Hon'ble Colonel HUGH DALY,

C.S.I., C.I.E.,

BRITISH RESIDENT,

BANGALORE.

Through the Collector, Cantonment Station, Bangalore.

The Humble Petition of the Landlords, and residents of the C. & M. Station, BANGALORE.

MOST RESPECTFULLY SHEWETH :—

1. That petitioners' Civil Rights are seriously threatened by the arbitrary action of the Military Authorities in assuming to themselves the right to build upon the plot of open ground—North of Cubbon Road. This open ground has been in existence ever since the Cantonment was laid out in or about 1809, and has been all along in undisputed use by the public. No Rights were reserved by the Military Authorities.

Petitioners respectfully invite reference to Col. Grant's (then Capt. Grant) detailed Survey Report, who under the orders of Government, was specially appointed to carry out the Survey of the Station. Upon this Survey Report a conference was held in or about 1870. It was then determined that the land in-extenso lying along the North of Cubbon Road, (interrupted only by the Place of Arms of the 101st. Grenadiers and The Kirk), was *Public Waste Lands*, and not *Military Waste Lands*, and is described as such in the records of the Station.

Petitioners beg leave to state that *even now* the Land in question and under reference here, is not known or recognised as *Military Land*, nor does the map that is maintained in the A. C. R. E.'s Office record the same as Military Land, hence petitioners are at a loss to assign a reason, or to understand under what authority the Military Department has attempted to build upon it.

Petitioners can no where find the inclusion of this land as Military property, *Vide* Government of India Notification No. 3955/I.A. dated the 29th December 1879, (Foreign Department). This notification clearly defines both the Lands and Buildings that are the exclusive properties of the Military authorities.

Petitioners respectfully invite reference to the voluminous correspondence that took place in the 1850s, between the Military and the Civil, when the rights of the latter were in conflict with the former. The out come of that correspondence, was, orders dated 1857 from the Government of India and the Government of Madras, "Giving to the Civil absolute control over all idle lands "and with the guarantee that no man's just title will be "infringed, that there should be no needless interference

" with the Civil Residents of that great C. and M. Station, " Bangalore."

H. S. [illegible] 11/4/11

(13)

Copy of a letter No.1698-M.W.S, dated 1-4-11, from the G.O.C. Bangalore, to the C.R.E. 9th. Divn. Ootacamund.

In reply to your No.1146-M.W.S., of 26th. March 1911, I have the honour to report as under:-

On 21st. October 1910 the Standing Barrack Committee was assembled to choose sites in the Civil and Military Station of Bangalore for quarters for certain European subordinates, amongst which were 2 Sergeant Instructors of the Bangalore Rifle Voluntee The G.O.C.Troops Bangalore did not concur in all the sites chosen but ordered the reassembly of the Committee to reconsider the sit for the quarters for the Sergeant Instructors Bangalore Rifle Volunteers.

2. The Committee accordingly reassembled on 2nd. November 1910 and rejecting the site they had previously suggested on Hospital Road as being too far from the Armoury, selected a site opposite the Armoury across Central Street at the corner where it joins the Cubbon Road. In selecting this site they were influenced by orders received from Army Hd. Qrs. that at least one Volunteer Sergeant Instructor was to live as close as possible to the Armoury. The site selected by the Comtee. was agreed to by the G.O.C.Troops Bangalore, and approved by the G.O.C.9th. Divn. in his No.4137-M.W.S., of 28th. Novr. 1910.

3. Mrs. D.M.Simpson thereupon protested to the Collector & President Municipal Commission who endorsed the protest to the Hon'ble the Resident in Mysore. The correspondence was sent on to this office and returned with a reply stating the facts somewhat as given above. It was also mentioned that the Comtee. also discussed another site to the West of the Armoury and rejected it, as any building there would have to be placed right in front of a bungalow, the site was somewhat restricted owing to the existence of two rights of way, and there would be difficulty in siting the latrines so as not to be a nuisance to the new quarters, or to the existing houses.

4. Rs 6000/- was then allotted for the quarters and a wire was sent to the Hon'ble the Resident (who was then in Coorg)

19

asking whether building on the approved site might proceed. He replied that as the case might come before him in his judicial capacity he was precluded from offering any advice. This office letter No.238-M.W.S. of 16th. Jany. 1911 was then written, and on receipt of your reply No.6-T of 28-1-11 materials were collected and ground broken. Mrs. Simpson was informed of the decision.

5. Mr. F.Shamiengar Advocate then wrote to the First Asst. to the Hon'ble the Resident. A copy of this letter dated 13th. Feby. 11 is attached, as it gives the heads of Mrs. Simpson's objections. A copy of the letter was forwarded to this office, and in my No.946 of 23-2-11 the Resident was asked if work was to be stopped or whether it could proceed. No reply has yet been received. Work has been practically stopped, only a few materials remain collected on the site.

6. The question of the boundaries of the Mily. lands in Bangalore has never been regularly settled. A list of builings and lands in the Civil & Mily. station Bangalore which were in the exclusive possession of the Mily. was published as Foreign Deptt. Notification No. 7955-I.A of 29th.December 1899, copy circulated with Govt. of India Mily. Deptt No.350-M.D. of 27--1-1900 (vide also Gezette of India dated 30-12-1899 page 1103). This list gave no boundaries or details and is only of assistance in identifying certain undefined localities as Mily. During the past year plans showing in colour all the Mily. lands have been sent to the Collector of the Civil & Mily. Station for verification. As this officer is also President of the Civil & Mily. Station Municipality he has verified & returned them as President and it is not known what legal value they would have. Boundary stones have been placed in position as the plans were verified and returned and it is intended to have all the lands surveyed and defined as laid down in A.R.I. Vol.II para 408 as soon as all the plans shall have been verified and returned. There are still one or two with the Collector and President Municipal Commission.

Copy of a letter No.414, dated 20th.April 1911, from the Government Solicitor, to the C.O.C.9th. Division.

Re: suit instituted against the Secretary of State by Mrs. Simpson to restrain building on certain land at Bangalore.

I have the honour to return herewith the enclosures to your letter No.1227-M.W.S, dated the 12th.instant.

2. I am of opinion that building operations may be commenced and continued, and that Government should allow Mrs. Simpson to take such steps as she may think fit. Until the plaint has been filed I am not in a position to advise as to the Written Statement which will have to be filed in answer.

3. So far as I can judge from the papers sent me, I am of opinion that Mrs. Simpson has not a good cause of action against the Government.

To

P. B. Warburton, Esq., I.C.S.,
First Asst. to the Hon'ble the Resident
in Mysore.

Sir,

With reference to our Memorial to His Excellency the -- Right Hon'ble Baron Hardinge of Penshurst, P.C.,G.C.M.G., G.C.V.C.,G.C.B.,G.M.S.I.,G.M.I.E., the Viceroy and Governor General in Council, dated the 27th March 1911, I beg to request you will very kindly inform me what reply has been received, and what truth there is in the rumour that the Military Department are about to recommence building operations.

I shall esteem it a favour if you will kindly give us an early reply, as in the event of the Military Department resuming work, we are desirous of losing no time in submitting our appeal to the Secretary of State for India.

I would thank you in anticipation for the favour I ask, and at the same time, if the rumour is true, I am constrained to say that without any communication to us regarding our -- Memorial it seems strange that the Military Department should be permitted to start work, and more especially during the vacation of the Civil Courts of the Station when both the -- District and the appellate Judges are away, thus making it impossible for us to get even a temporary injunction.

I am, Sir,
Yours obediently,
(Sd.) D. M. Simpson.

Copy of a letter No.1485-M.W.S. of 26th. April 1911, from the Commanding Royal Engineer, 9th. Division, to the General Officer Commanding Troops, Bangalore.

Office of A.C.R.E., Bangalore.

With reference to your No.2015-M.W.S., of 21st. April 1911, reporting that the Bible and Tract Society claims Rs 10,000/- more for their building on account of no suitable site being available on land in Military occupation, I have the honour to enquire whether any actual site has been fixed on by the Bible and Tract Society for their new premises.

2. It might be possible to obtain for them a site on Government Land, through the Hon'ble the Resident at a less cost than Rs 10,000/- or such land might be leased to them and the ground rent capitalized, a proceeding which would probably cost Government much less than Rs 10,000/-.

"True copy",

OFFICE NOTE.

No. 3385 dated 4th July 1911.

S.A.D.

Sd.3/ In continuation of this office No.3100 of 16th.June 1911 at the meeting at the Residency this morning the question of a site on Government Land for the Bible & Tract Societies new Depots was talked over. As I understand the case it was decided that the Collector was to definitely offer the Bible & Tract Societies a site on the Blackpalli Maidan facing Hospital Road, mentioning the fact that this end of Hospital Road is likely to become a more frequented thoroughfare when the Municipal scheme for closing New Market Road matures.

2. If they refuse this offer definitely then their premises and land will be valued by the Collector for acquisition under the Land Acquisition Act. If the Act allows for land of equal value elsewhere to be handed over to the vendors in exchange, that such a site will be offered to them and if the Societies refuse to accept it ~~that~~ then no claim for a money payment for the land will, be considered. If the Act does not allow of this, then that the money value of their present site will be paid if sanctioned.

N.B. The question of the exchange or payment must be referred for sanction to the Government of India before any further action can be taken.
